Test Corrections Guidelines

Test Corrections must be done afterschool in order to earn back $\frac{1}{2}$ the points lost on any given test.

In order to get points back you **MUST**:

- 1) Complete ALL corrections on a test.
 - 2) Complete corrections on correction sheet supplied by me.
 - 3) Do the corrections yourself using only your own notes, homework, review sheets, etc.
 - 4) Complete all corrections by one week before the end of the quarter.
 - 5) Give an explanation for each wrong answer. (I didn't know how to do it, left blank, guessed, etc. are **not** acceptable explanations.) If you cannot explain what you did wrong then you must explain how the problem should've been done.
 - 6) Complete corrections during extra help.
